Worship – The Shaking of the Foundations

To paraphrase John Ortberg: "We need worship because without it we forget that we have a Big God beside us when we struggle with our fear. We need worship because without it we forget God's calling and begin to live in a spirit of self-preoccupation. We need worship because without it we lose a sense of wonder and gratitude and plod through life with blinders on. We need worship because our natural tendency is toward stubborn self-reliance." We need worship to bring us to our knees, to part with our pride. How can worship today bring us into the holiness and forgiveness of God? God is waiting….
