

The Worship of God
Sunday, April 15, 2018

Would you pray right now before the service for City Light to continue to change the philosophy of our ministry...moving from creating dependency to empowering people for service and personal development? Pray for City Light to clearly communicate the vision for how this ministry benefits our church fellowship and entire city. Pray for God to grant wisdom and direction on how to proceed with this dream. Pray that City Light will continue to show God's love and be the presence of Christ to all who enter our door.
