The Worship of God

Where do you find refuge? Are there events in your life that have caused you to fear? Objects of fear are often things that impress and intimidate us. At times, people place these things on a pedestal and make them objects of worship. Money, power, sickness, growing older, world events, weather... the list can go on and on. My list of things to do is only exceeded by my list of things to fear. The song leader psalmist wrote, "therefore I will not fear." He also declares, "The Lord Almighty is with us. The God of Jacob is our fortress." As we worship together this morning, we will be reminded in many ways of the faithfulness of our Lord and King. We will be reminded of people who have walked with God for many years. Oh, my God, my Refuge!
