

The Worship of God
Sunday, August 15, 2021

As we prepare for worship, consider: How we can have confidence in the future even though we do not know what tomorrow holds? How can the image that “We are a mist, a vapor that appears for a little while and then vanishes” help us to live wisely in the present moment? The question James asked his community, he is asking us: “What is your life?” As we worship, ask God to speak to you about how you answer that question of questions.
