

The Worship of God
Sunday, August 20, 2017

Our scripture today reminds us that our Heavenly Father knows our thoughts and is familiar with our ways. Today during worship, may you be open to His truth about you and who you are and how much you are valued. As you worship Him today, may you allow Him to search your heart and lead you even now into His everlasting way. A way that does not promise that our lives will be without difficulties, but that we can live with His peace that passes all understanding.
