***“Endurance is not just the ability to bear a hard thing, but to turn it into GLORY.” -William Barclay To paraphrase William James: Most people never run far enough on their first wind to discover the exhilaration of the second wind. Impatient people become complainers and focus on the negative. But, as Isaiah says, “Those who wait for the Lord will gain new strength.” Wait literally means to “twist and stretch to become stronger.” How is God helping you to develop endurance and to learn to persevere by waiting on His timing?***
