

**The Worship of God**  
**Sunday, August 29, 2021**

***Timothy Keller has said: "Discipleship is not an option. Jesus says, 'If anyone would come after me, he must follow me.'" John Ortberg reminded us: "The decision to grow always involves a choice between risk and comfort. This means that to be a follower of Jesus, you must renounce comfort as the ultimate value of your life." As we prepare for worship, consider what value could be keeping you from following Jesus and declaring, "Here I Am, Lord."***
