God's Presence in the Midst of Fear

Henry Ford said, "One of the greatest discoveries a person makes, one of their great surprises, is to find they can do what they were afraid they couldn't do." This morning, think about what Jesus is asking of you that you are afraid to do. As you turn your attention to worship God, ask God to begin to remove your fear and to give you courage to listen to and obey Jesus, even when you're terrified. Let your worship remind you God is love and "perfect love casts out fear."
