Remembering Who We Are and To Whom We Belong

All of us have a “rap sheet,” whether we have actually served time or not...even pastors and deacons. Our names might not be in the official records of the County Courthouse, but we have a record. Do I see that hand? What’s your past or present which nobody knows or you would be embarrassed if it ever became public record? The waters of baptism become that symbol of forgiveness and new life beyond any words. Our record is expunged forever as we hear those words, “Buried in death with Christ...raised up to walk in newness of life.” What is hindering you from coming down to the waters?
