

**The Worship of God  
Sunday, July 11, 2021**

***The book of James says, “Be doers of the Word and not only hearers....” He challenges us with the message that talk is cheap. Service to Jesus is where our faith becomes real in our everyday lives. It isn’t that works save us, but our works mark us as His followers. We can get into arguing about religion or what is Biblical. James 1:27 says, “Religion that is pure and undefiled... it is this: to visit orphans and widows in their affliction.” As we prepare for worship, where is God calling you to be not only hearers or students of God’s Word, but doers?***
