

**The Worship of God
Sunday, July 21, 2019**

We gather today to worship the Lord our God. We don't do this flippantly. Whether confident in your faith or experiencing doubt, we all made a conscious choice to be here today because we desire to know more and to be transformed. We want to learn why our faith matters in the real world. As you worship today, take time to reflect. Ask yourself these questions: What am I learning about God today? What am I learning about humanity? How is God calling me to be the church, a representative of Christ, outside the walls of this building? May the Spirit of God inspire you to change the world one person at a time beginning with the worship of the God who is love.
