

**The Worship of God
Sunday, July 4, 2021**

The truth sounds like such a simple concept, until we get involved and see it only from our perspective, biases, and life context. As Christians, we claim to be followers of Christ, so if Jesus said He was the Truth, then maybe our perspectives, biases, and life contexts should not even be in the discussion. Jesus is the Truth, so for us to understand that truth, we must read and understand what Jesus is all about. As we worship this morning, what truth do you need to understand in order to be set free?
