

The Worship of God
Sunday, June 11, 2017

Can fifteen lines from a single page of the Bible change your life? They can if you are willing to open your heart to their healing medicine and wisdom for our weary souls. If life threatens to wear you down, Psalm 23 guides you to replenish your dried up soul. The world may be a frightening place but it becomes less scary when you know that God is here with you. As you prepare for worship, pray about what is keeping you from green pastures and still waters. The Good Shepherd wants to lead you on the path to peace today. Will you trust the Shepherd to lead even when the path is long.
