Father's Day...Making a Difference One Day at a Time

Dads, your family doesn't expect you to be superhuman. They just want you – warts and all – your presence, your blessing, your support, your gentleness, your affirmation, your leadership, your involvement...you! To all of us, we can't change the past or alter the future worrying about how things will turn out. We can live one day at a time...enjoying one moment at a time. How can you enjoy this moment of worship?
