***Trading My Shame and Sickness...***

***Lewis Smedes wrote: "In the past I worried about complacent people who were blind to their own shortcomings. Yet, now I worry about shamed people who are blind to their own strengths... People need to be healed from the shame and fear that binds them." As we prepare for worship, pray about the ways you can become free from shame to know the joy of the Lord. How have you been hiding behind your fig-leaves of shame, even faking it? What do you need to surrender to the Lord? Your weaknesses? Even your humanity?***
