**Living with Hope No Matter What...**

**Craig Barnes says, “God saves us from small dreams which are easily accomplished on our own.” Faith isn’t something we get. It is something that gets us. Faith changes the way we see. God says, “Fear not” so often because fear is the number one reason we are tempted to avoid doing what God asks us to do, especially the impossible. Never try to have more faith – just get to know our Great God better.**
