Do Not Be Afraid...Stand Firm and Behold Your Deliverance

Worrying results from the stinking thinking that it's all up to me, I'm in this alone, or the challenge is too great. When we feel hemmed in with no human way through, deliverance comes in trusting ourselves to God's care, plan, and purpose for our lives. God does His best work when the future seems darkest and our faith the weakest. God leads us to the Promised Land by the "roundabout way."
